# SAFETY

Our commitment to HSE (Health, Safety, & Environment) stems from our care to the humanity. Since establishment Al Fuwaileh set a standard HSE Policy that prevents incidents or accidents that may cause injuries, or illness or loss of life, or damage the environment or property.

Al Fuwaileh will continuously maintain highest HSE standards by daily safety inductions, training & workshops in order to achieve the following objectives:

## Health

- *Protect company employee's health and wellbeing during operations.*
- *Develop a healthy work environment by reducing or eliminating all health risks imposed by the operations.*
- *Develop & encourage a positive attitude for personal health through focused Health & Hygiene Awareness and promote health in operations.*
- *Establish a systematic reporting and maintaining records of occupational illnesses & injuries in accordance with the Client's HSE Management System and ISO 14001-2015 & 45001-2018.*

## Safety

- *Reduce, eliminate and control hazards to Protect employees.*
- *Prevent injuries and incidents by implementing applicable HSE procedures.*
- *Promote HSE awareness and consciousness in employees and ensure implementation of HSE procedures.*
- *Comply with Client's HSE Management System, Contract HSE requirements, & Local HSE laws.*

## Environment

- *Eliminate and minimize the effect of construction activities on Environment.*
- *Reduce or eliminate the creation of pollution through efficient use and reuse of material, energy or other sources.*
- *Implement an environmental awareness among employees.*
- *Minimize environmental impact as per local & regulatory requirements.*

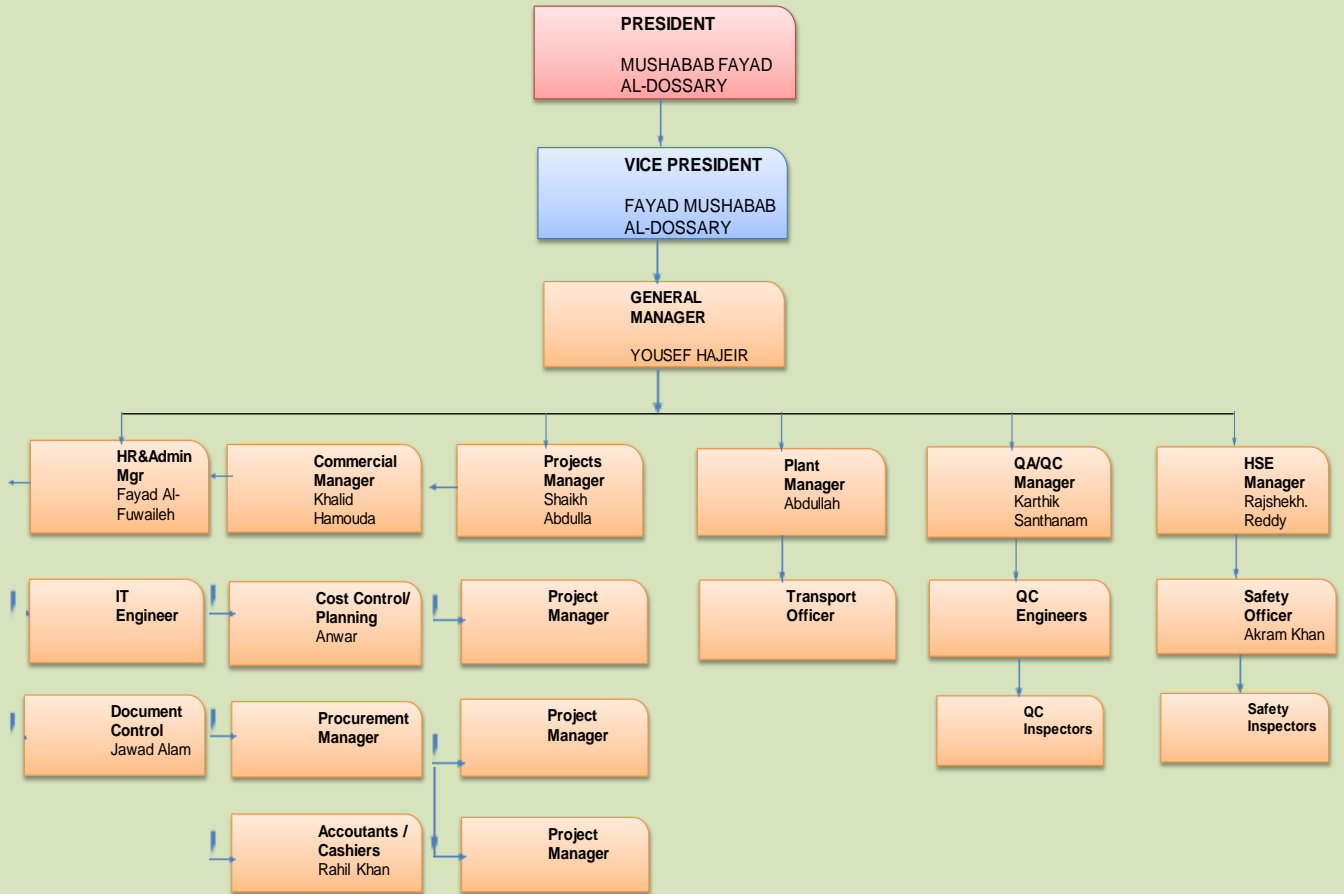

# QUALITY

Our commitment to Quality stems from our loyalty to our country, culture & civilization. Since establishment in 1991 Al Fuwaileh set a standard Quality Policy that starts by recruiting highly skilled manpower & professional staff, and all checking & auditing performed by our quality teams & confirmed & audited externally by third party, & reporting discrepancies & recommend corrective actions.

We are all in our operations committed to:

- *Consistently provide Client with products and services that fulfill the requirements stated in the Contract, as well as legal and regulatory requirements.*
- *Achieve Client satisfaction by establishing, implementing and maintaining an efficient and effective quality system that meets or exceeds the requirements of ISO 9001:2015 standard.*
- *Meet all technical performance criteria and all commercial performance criteria mainly schedule and cost, by efficient utilization of technological, human and material resources.*
- *Review and monitor the quality system at regular intervals throughout the contract period both to continually improve the system and detect any adverse trends by taking the necessary executive action.*
- *Provide with the relevant quality awareness training as required.*
- *Achieve the all quality objectives.*
